## STATUS REQUEST

**Sir:**

On November 10, 2005, we filed the above-identified Patent Application and received a return postcard indicating that Serial No. 10/556,341 has been assigned thereto.

On April 17, 2007, we filed a response to the Notification of Missing Requirements dated March 26, 2007, for the above-identified Patent Application. Since filing the response on April 17, 2007, we have not received any further communication from the U.S. Patent and Trademark Office.

**Please provide us with the Filing Receipt as soon as possible.**

Respectfully submitted,

Martin O. Moynihan
